

Application for TMEA Teacher Educational Grant

One purpose of the TMEA Educational Grant Committee is to approve financial support for aquatic education for teachers. Contributions are available for teacher professional grants for participation in marine science in-services, college course work for credit in marine science, and attendance to marine science conferences, such as TMEA and NMEA.

Applicants must be members in good standing with TMEA; complete the following form and provide a copy of relevant registration forms, receipts, or brochures. Deadline for applications is to be announced in the Spring; notification will be made whether or not the grant has been approved by the committee. Please print or type.
