

Parking

Shuttles

All attendees staying at the Sheraton Downtown Dallas and the Marriott Market Center will have access to the free CAST shuttle to and from the convention center.

DART

We encourage local attendees to use Dallas Area Rapid Transit (DART), as it stops at the convention center and parking in the city may be difficult.

Directions: Exit at the Convention Center Station (727 S Lamar St, Dallas, 75202). Located on the southwest corner of Lamar Street and Memorial Drive at ground level. The Convention Center Station is served by the downtown segment of the DART Red and Blue Rail lines. Please visit <http://www.dart.org/> on your mobile phone or at the Cyber Café to route your map.

Cost: \$1.75 one way or a \$4 day pass.

Onsite Self Parking

The Convention Center parking garage entrance is at the corner of Memorial and Griffin, on the south side of the Convention Center and the daily parking rate is \$12/day. If you need assistance please call the direction line at 214-939-2700.

A shuttle service will be running from Lot E parking lot to the entrance at lower C which will run continuously from 6:30am to 7:30pm during event dates. In addition there will be 500 spaces at the Omni hotel dedicated to Science Teachers for the duration of the show and the pricing is the same as offered at the convention center: \$12.00.
